

## Same As You

By Shazna Slimon

This Bookshop's for the client group  
That's me and my friends  
It's so that we can be more like you and  
your friends  
Perhaps we do not hear or see so well,  
Just like some of your friends.  
Sometimes we will not speak at all or talk  
too much  
Just like some of your friends  
Perhaps we shout when we shouldn't or  
laugh too much  
But then so do some of your friends.

So when you come to the Bookshop door  
and are not sure what to do  
remember you friends  
If we were you and you were us  
How would you like us to treat your friends  
and you.  
Because –  
If I was you and you were me  
I'd say good morning and how are you  
today?  
I'd shake your hand and smile at you-  
Just to show I cared, so,  
When you are you and I am me  
Can you do the same for me?

If I was you and you were me  
I'd say "how smart you look today"  
I'd admire your dress and pat your arm  
Just to show I cared, so,  
When you are you and I am me  
Can you say the same to me?

If I was you and you were me  
I'd thank you for a book and cup of tea  
I'd say "well done- I have enjoyed my stay  
I'll come again another day"  
Just to show I cared- so,  
Can you say the same to me?
